

Initial Evidence Report

Case ID: EV-2026-041

Case Title: Property Dispute

This document represents the initial evidence submitted in relation to the property dispute case. The petitioner has provided copies of the registered title deed, property tax receipts, and survey records to establish lawful ownership of the property. Photographic evidence of the property and alleged encroachment has also been submitted. Witness statements from neighboring residents support the petitioner's claim of long-term possession. All submitted materials are subject to verification and further examination by the court.
